Sheriff Frank A. Reynolds
Cherokee County Sheriff's Office
498 Chattin Dr.
Canton, GA 30115-8249

Dear Sheriff Reynolds:

Congratulations to you and your staff on achieving "Triple Crown status" with the National Sheriffs' Association. You are one of only 46 sheriffs' offices (a total of 65 awards) in the United States to have attained this status.

Only by attaining simultaneous accreditation through the Commission on Accreditation for Law Enforcement (CALEA); the Commission on Accreditation for Corrections (CAC) of the American Correctional Association (ACA); and, the National Commission on Correctional Health Care (NCCCHA) does a sheriff's office receive this most prestigious award.

The Cherokee County Sheriff's Office will be recognized as a recipient of this award and will be presented with the "Triple Crown" plaque at the General Session at the National Sheriffs' Association's Annual Education and Technology Expo, in Tampa, FL, on Wednesday, June 24, 2020 in the Ballroom of the Tampa Convention Center.

Once again, on behalf of the members of the National Sheriffs' Association, please accept our congratulations on this achievement.

Most sincerely,

Jonathan F. Thompson
Executive Director and CEO
